Description:

Car is all original specification except upgraded radiator/fan kit etc. Complete vehicle & service history from date of registration. Including original Lotus brochure, order forms, Technical Data Manual. Stamped service book & all receipts for any works carried out.

Always garaged, battery on trickle charge. Kept clean, polished & covered. Soft top in very good condition & waterproofed. Never been tracked.

Paint work is very good overall but with some minor stone chips at front end and sides. Slight scuff under front nearside bodywork from misjudging incline change at 10mph!

Included in sale – Rain proof cover for soft top (not used). Locking wheel nuts (not used). Genuine Lotus Horn button replacement (not used). Get me home tyre inflater

Reason for sale: Campervan and cycling now taking priority.
